Celebrating 30-Years of Touching Lives and Making a Difference

Today, as I look back on the past three decades, I am filled with a sense of gratitude and pride. What began with a dream driven by passion, this journey has grown and touched many lives, strengthened communities, and made a lasting impact.

Building this business has required unwavering dedication, sacrifice, perseverance, and dedication. This journey was not easy yet immensely fulfilling, touching my soul and the lives of many others. It has been a labor of love, marked by determination and continuous effort. Sleepless nights and tough decisions have paved the way to realizing this vision. This path has demanded relentless commitment to making a difference and overcoming various obstacles.

Over the years, we have encountered unforeseen challenges. Navigating global events like the COVID-19 pandemic and technological advancements required adaptation in our approach. These experiences highlighted the importance of compassion and connection, serving as tests of resilience and opportunities for growth. Burr Oak Manor is licensed to care for individuals ranging from independent to total care needs, including those with Alzheimer's, Dementia, or Memory Loss. It consistently receives high ratings and positive reviews from residents, families, and visitors and is affiliated with organizations such as WALA (Wisconsin Assisted Living

Association), ALFA (Assisted Living Federation of America), and WCCEAL (Wisconsin Coalition for Collaborative Excellence in Assisted Living).

This 30-year anniversary is a celebration of everything we have accomplished together. My goal is for us to continue making a difference one person, one community, one step at a time.

Thank you for being part of this journey.
